

Summer Reading and Writing

2nd graders going into 3rd grade

Summer reading and writing is so important for students to practice their skills they have learned all year. This summer assignment is a fun way for your children to be engaged in both. It provides them with choices, outside the box ideas, and includes family too.

Please read over the whole chart with your child at the beginning of summer and then let them jump in.

Directions: Look at the attached chart. Throughout the summer, pick different boxes to complete.

After you complete one box:

1. cross it off
2. record the titles, or what you did on the attached pages
3. record your points

Goal: Reach 100 points by the end of the summer.

Then return your chart and papers to your new teacher in the fall for a surprise!

Writing Paper

Please put the letter from the square you choose on the line before completing the activity. Skip a line between each activity.

Box A

The page contains ten sets of horizontal writing lines. Each set is composed of three lines: a solid top line, a dashed middle line, and a solid bottom line. The first set of lines contains the text "Box A". The remaining nine sets of lines are blank, providing space for a handwriting activity.
